Your sponsorship will seed the next era of youth baseball in our state!

Since 2006, 40,000 children and their teams have benefitted from Friends of Baseball's Promising Players Program; 52.5% of these children qualify for the government's free or reduced lunch program at their schools.

Because of the depth of our organization's community support, your sponsorship dollars can be leveraged by a multiple of four, quadrupling your impact in equipment, scholarships, field maintenance, safety improvements and *enhanced life chances* for the youth in this region.
