

## FIND YOUR TEAM

### Family Info Night

How and where to sign up your child for the  
Spring 22' baseball & softball season!

#### LEAGUE BOUNDARY

- Your league boundary is a perimeter that your neighborhood Little League serves. In order to participate on a Little League team, you must reside within the boundary or attend school in the boundary.

#### HOW TO REGISTER

- To register, click on the link from the league you reside in. Every website is different, but the league should have a visible tab to register.

#### FINDING YOUR LEAGUE

- To find the league you belong to, match up your residential zip code OR the school your child attends.

- You can also enter your home or school address into LittleLeague.org's "League Finder Tool":

#### NEED FEE ASSISTANCE?

- Most leagues offer scholarships/fee assistance for families with financial need. Check with your league administrator for details on how to apply.

-The "T-Mobile Little League Call Up Grant Program" also provides fee assistance to ensure that every child can play:  
T-MOBILE CALL UP GRANTS

#### I REGISTERED, NOW WHAT?

- Congrats! Your child is now in your leagues player pool. The player pool is the amount of children signed up for the division. After this, you no longer have to do anything on your end. Your child will get drafted by a coach and they will contact you around the end of February.

#### HAVING TROUBLE? CONTACT US!

Please reach out to our staff if you are having trouble signing up for a league or have any specific questions. See you out on the field!

#### ABOUT FRIENDS OF BASEBALL

Friends of Baseball was founded in 2005 by an Oregon father, son and Board of Trustees driven by their passion to give back in the form of aid and partner resources to the community of youth baseball and softball that they love. Together, with our community partners, Friends of Baseball has provided \$5.1 million in programming, scholarships, grants, and equipment since 2005 and served over 40,000 children.

The Full Count RBI after school and summer program launched in 2015, has served over 1,200 youth through a baseball-inspired curriculum that includes physical recreation, academic, and socio emotional enrichment activities.
